Research doctorate (PhD)
How to print a copy of the payment form and of the application form

In order to obtain the printed copy of the payment form and of the application form, it is necessary to enter the University information system (INFOSTUD) by **previous** registration on-line.

Graduated students and students that are still enrolled at the University "La Sapienza" are **automatically registered** and can access the information system using their own registration number and password. In this case students have to continue following the information given at point 2) INSTRUCTIONS TO OBTAIN THE PRINTED COPY OF THE PAYMENT FORM AND OF THE APPLICATION FORM.

At <http://www.uniroma1.it/didattica/sportelli/infostud> you can find useful information to ask for registration number or forgotten passwords, technical information and more.

1) INSTRUCTIONS TO REGISTER AT THE UNIVERSITY INFORMATION SYSTEM

Students coming from other Universities have to previously register themselves following the instructions here below indicated.

What you need

To register you need:

- a PC with an Internet connection;
- a printer (or, alternatively, pen and paper);
- personal data (first name and family name, birth date, personal tax code¹, addresses: it is highly suggested to indicate the e-mail address because it will be used for any further communication about competitions);
- information about undergraduate qualifications (which kind of degree, name of the school, mark, date of achievement);
- information about university degrees (University, Faculty, achieved degree, mark, date of achievement).
- **last year students** that will achieve the degree within the October 31, 2014 have to specify their status by **clicking** on the provided option **LAUREANDI** and they only have to insert information about University, Faculty, degree;

What you have to do

To register you need to:

- enter the web site <http://www.uniroma1.it/didattica/sportelli/infostud> (at the same web page are also explained the technical requirements necessary to make the following operations correctly);
- click "Registrati" (button below);
- 4 - insert the requested information (it is necessary to point out the e-mail address that will be used by the Offices for all the communications related to the admission announcement)

What you will receive

After completing the on-line registration, the system will give a **registration number and the password you have chosen**: it is mandatory to copy (and print) these data and carefully keep them because you will need them every time you will enter Infostud.

Now the registration is finished and you can directly access the system by clicking the button **"ACCEDI"**.

¹ INFOSTUD will give to the foreign applicants living abroad a temporary personal tax code. In case of admission, candidates have to verify the correctness at the Tax Office:
